.....Carpentry Services.....

At Regan Construction, we have professional carpenters capable of all types of works. Our carpentry services include fitted kitchens and bathrooms, internal doors and UPVC windows along with staircases, bespoke french doors, parquet flooring, replacement sash windows and much more. Whether you need a staircase built, sash, casement or velux windows installed; new doors; hard wood, parquet or laminate flooring Regan Construction Services will deliver a quality job. Each installation is carried out with care by our own skilled craftsmen insuring your absolute satisfaction. We provide a service first class service from enquiry and consultation through to installation. We have skilled craftsmen capable of carrying out period restorations and top end finishes. Including restoring damaged cornices and highly detailed plaster work, intricate mosaic tiling, complex bespoke carpentry and both decorative and lighting special effects.
