Regan Construction services are a South Wales carpentry and building project business based in Merthyr Tydfil covering all aspects of building and groundwork. We undertake a wide range of services for domestic and commercial customers within the areas of carpentry, maintenance and building.

The projects we undertake for our clients include:

Construction Services :

- Loft Conversions
- Extensions and Renovations
- Conservatories

Carpentry Services:

- Fitted Kitchens and Bathrooms
- Internal Doors
- UPVC Windows and Doors

Maintenance Services:

- Facias and gutters
- Roof repairs

Regan Construction's expertise is aided by Mike Regan's qualifications in Architectural Technology (Bsc) and his success in winning a KEF scholarship for entrepreneurship.

Our workmanship is of the highest quality, the workmen have been fully referenced and share the same passion we do in seeing the job well done. We pride ourselves on our honesty and professionalism.

Regan Construction has built it's reputation based upon customer satisfaction with a huge base of happy and returning customers throughout South Wales.

Testimonials from satisfied Clients

"Regan Construction has renovated our property, which involved fully gutting and alterations. I would recommend Regan Construction and will use them for our future building projects....."

**Mr and Mrs Perry,
Merthyr Tydfil.**
